Further Information:

Please Note:

- **The parks unsealed road network has become very wet and slippery after rain. A four wheel drive is recommended for travel on these roads. Please drive to the conditions.**
- **Seasonal Gates now closed**
- **Contractors undertaking works on some seasonal tracks – tracks require time to settle, please don't access these tracks if closed.**
- **Contractors working on roads in the Victoria Valley. Watch out for trucks and heavy machinery whilst travelling through the National Park**
- **Strong winds have brought down trees and branches across some of the parks roads, While most of these have been cleared drivers are asked to take care.**
- **The Hut Creek Bridge, Cultivation Creek Bridge and Deep Creek Bridge on Harrops Track now have a bridge load limit placed on them, No vehicles heavier than 15 tonnes gross can travel across these bridges.**
- **The Redrock Creek bridge on Redrock Rd has a bridge load limit placed on it, No vehicles heavier than 5 tonnes gross can travel across these bridges.**
- **Lodge Rd has been graded, The surface is loose and slippery after rain.**

- Some road resurfacing has been carried out on Mt Zero Rd, The road surface is loose and slippery in places and will become worse after rain. A four wheel drive is recommended for travel on this road
- The Serra Road has been graded and resurfaced in sections it will be slippery after rain.

Further information can be obtained from Brambuk the National Park and Cultural Centre at Halls Gap.
