

ALBERT PARK TENANT PARKING PERMIT APPLICATION FORM

Albert Park is Melbourne's highest profile park, located just 3 km from the CBD of Melbourne. It is a 225 ha sporting and recreational park that caters for formal and informal recreation. Albert Park is the focus for many of Victoria's spectacular events and is also an important sanctuary for wildlife and vegetation.

Parks Victoria is responsible for the management of Albert Park Reserve. To control the increasing demand for parking within Albert Park, a fee-based parking system will apply to all car parks and kerbside parking spaces within the Park, commencing from February 2006.

To provide discounted parking for legitimate sportsclubs, businesses and tradespeople conducting work within Albert Park, Parks Victoria administers a system of parking permits. By displaying a valid parking permit, permit holders are exempt from a number of parking restrictions.

All profits generated from the modest fees charged for parking and parking permits at Albert Park are spent within the Park to improve park facilities for the benefit of all users.
