Pest Animal Control Operations
22\textsuperscript{nd} – 28\textsuperscript{th} June 2019

Deer and goat control operations using a helicopter and firearms will be occurring throughout Grampians National Park and Black Range State Park between the 22\textsuperscript{nd} and 28\textsuperscript{th} of June 2019.

Parks Victoria staff, traffic management and signage will be in place during the operation. For your safety please respect all closures and do not enter target areas (see map on page 2).

Due to the nature of the operation and weather considerations, individual target areas will be closed at short notice.

Overnight walking and camping is not permitted within the target areas during the operation dates. This includes the Victoria Range Overnight Walk and the Mt Difficult Range Overnight Walk.

Day walking within a target area is permitted if the operation is not occurring there on that day.

Closure information for each day of the operation will be available from Brambuk the National Park and Cultural Centre, 2.5km south of Halls Gap.

Please call Brambuk on the morning of your visit to confirm the day’s target area. Ph: (03) 8427 2258.
